Also enclosed are the following items:

☐ Credit card payment form for the fee of \$_____.

☒ Return receipt post card.

REMARKS:

It appears that the Patent Term Adjustment incorrectly attributed 47 days of delay to the applicant. This was due to a late submission of the Oath or Declaration. The Declaration was in fact, submitted on April 9, 2002 and received in the USPTO on April 16, 2002. Apparently, this document was not scanned when the file was scanned. A copy of the Declaration was resubmitted to the USPTO on October 10, 2007 at the request of the Examiner. Enclosed are copies of the Response to Notice to File Missing Parts, the Declaration and a copy of the return receipt post card in connection with the April 9, 2002 submission. Clearly, this delay should not be attributed to the applicant.

In the event the fees enclosed are incorrect, the Commissioner of Patents is hereby authorized to charge any additional fees or credit any overpayment of such fees to deposit account number 50-1267.

Respectfully submitted,

Jerry A. Miller
